

**Office of the Commissioner for Federal Judicial Affairs (FJA) Canada
Report on Annual Expenditures for Travel, Hospitality and Conferences.**

As required by the Treasury Board *Directive for the Management of Expenditures for Travel, Hospitality and Conferences*, this report provides information on the total annual expenditures for each of travel, hospitality and conferences for FJA for the fiscal year ending March 31, 2013. It also provides the variance explanations from the previous fiscal year in each of these areas.

This information is updated annually and does not contain information withheld under the *Access to Information Act* or the *Privacy Act*.

Expenditures on travel, hospitality and conferences incurred by federal departments and agencies are for the most part directly related to supporting departmental mandate(s) and the government's priorities.

In particular, for the Office of the Commissioner for Federal Judicial Affairs (FJA) Canada, this includes delivering core programs in support of federal judicial activities and services to Canadians. Under the Program Alignment Architecture, the organization is broken down into three program activities: Payments pursuant to the *Judges Act*, Canadian Judicial Council, and FJA. These activities strive to meet the priorities of: developing organizational capacity, building a strong, integrated team, improving service delivery, enhancing communications, and managing information.

Further details about FJA's, mandate, and program activities can be found below and in FJA's *Departmental Performance Report (DPR)*, *Report on Plans and Priorities (RPP)*, and other relevant documents located on the Treasury Board website at www.tbs-sct.gc.ca.
